## *Lawyer Directory*

### Find an Intellectual Property Attorney

- *Qualified lawyers*
- *In-depth profiles*
- *A pledge of respectful service*

When you want help protecting your intellectual property, you don't want just any lawyer—you want an expert in the field, who can give you and your family up-to-the-minute advice. You need a lawyer who has the experience and knowledge to answer your questions, whether they're about provisional patents, trademark, patent, copyright or trade secret law.

**Nolo's Lawyer Directory** is unique because it provides an extensive profile of every lawyer. You'll learn about not only each lawyer's education, professional history, legal specialties, credentials and fees, but also about their philosophy of practicing law and how they like to work with clients.

All lawyers listed in Nolo's directory are in good standing with their state bar association. Many will review Nolo documents, such as a will or living trust, for a fixed fee. They all pledge to work diligently and respectfully with clients—communicating regularly, providing a written agreement about how legal matters will be handled, sending clear and detailed bills and more.
